

## Certificate IV in Training and Assessment (TAE40110)

### Course description

#### CERTIFICATE IV in TRAINING & ASSESSMENT - TAA40104 to TAE40110 UPGRADE

This upgrade program is specifically developed for qualified trainers and assessors who hold the now superseded TAA40104 Certificate IV in Training and Assessment qualification.

Keep your qualification up-to-date and comply with AQTF requirements for professional development by upgrading to the latest release of Certificate IV in Training and Assessment: TAE40110. This will also give you a competitive edge professionally for your business or when applying for any training positions!

We offer a simple, yet comprehensive RPL process to upgrade from the TAA40104 to the TAE40110 Certificate IV in Training and Assessment. **You will simply need to provide the following:**

#### Evidence Requirements

- A certified copy of your TAA40104 Certificate, including the units completed
- Your resume detailing the training and assessing you have been involved in since achieving your TAA40104, include contact details for a referee to support this information
- A document detailing the professional development you have undertaken since achieving your TAA40104, please include dates
- Answers to a few questions (supplied by Connect Training upon enrolment)

**Further evidence may be required, depending on the version of the units you have completed in your TAA40104.**

Your enrolment period for this upgrade is 2 months (60 days).

#### Program overview

The TAE40110 consists of Ten (10) units of competency incorporating Seven (7) core units and Three (3) electives, this upgrade course takes into consideration the units you have completed from your TAA40104 and maps them to the current units.
